## **Will you help? Volunteer Recruitment**

Hopefully you will have received through your door a letter from the Chairman.

After many years the committee is feeling its age, as the Charities Commission points out, "participation is not a life sentence ". New faces can guide the Hall in its next life stage, making it a useful resource for the whole community.

The Question is posed "Will you help?" Unfortunately, we are a small community so every little helps. Urgent assistance is needed for admin and premises management.

Please call Stewart Harris on 780390  
or email [mail@stewartharris.com](mailto:mail@stewartharris.com) if you can.

*If you know your neighbour is not on the internet, or does not get this newsletter, please print of a copy and drop it through their letter box. If you know someone who would like to be on the mailing list please ask them to send me an email to the address below and I will add them to the group email list. Many thanks.*

Best wishes
